I am planning on bringing some specialty loose-leaf tea that I drink regularly in Canada, but I am worried about this being an issue for "quarantine" (not sure what it is called in Brazil, but this is the term in Australia) - if they are going to take it away, I just won't bring it

clomipramine 25 mg tablets

As the dynamics of this first eclipse focuses on the energies of Libra (relationships) being shadowed by Aries (self) expect the spotlight to be on the way you interact with others, what you tolerate from others, where you draw your lines & when you feel you are happiest. Often we find the energy of an eclipses bringing up feelings of lack or need & this can trigger a crisis that acts to sever relationships or conversely to create even stronger bonds between people.
