strattera mechanism of action

I figured there wasn't a pol alive who could refuse the soapbox -- but they have kept silent, and we have to remember that for decades, while hospital charges and drug prices have rocketed, and the number of Americans whose employers do not supply health insurance approaches the total population of France, a lot of our legislators have blocked all meaningful healthcare reform, "for ideological reasons." It's going to be a nasty fight -- and that may be why these elected officials stayed silent.
